Elder Retreat Prayer Prompts

Each year, our elders and their wives spend a few days away to create space for prayer, planning, connection, and rest. This time is set aside to intentionally consider the seasons ahead. Their goal is to return refreshed, connected, and prepared to lead well together.

1. Pray for Their Marriages and Families

- For God's protection over their marriages and families.
- For continued unity as they serve our church together.
- For meaningful opportunities to rest and be renewed.
- For God to deepen and strengthen each marriage.

2. Pray as They Discuss Ministry Initiatives

- For wisdom as they evaluate current and future ministry initiatives.
- For unity among the elders.
- For clear direction from the Lord.
- For spiritual protection as they seek God's will.

3. Pray as They Shepherd Our Church

- For courage and faithfulness as they care for our church body.
- For wisdom and discernment in difficult situations.
- For compassion, patience, and grace in how they respond.
- For healing and restoration in the lives of those receiving care.

4. Pray as They Discern Our Church's 10-Year Vision

- For a Spirit-led vision of our next ten years as a church.
- For greater faithfulness and effectiveness in making disciples.
- For clarity about God's direction for our church.
- For courage to faithfully follow wherever God leads.
